Dogz 5

What are Dogz® ?

Dogz® are virtual Petz™ that live on your computer. Dogz scamper across your desktop, play in their home Playscenes, travel and explore faraway Playscenes and frolic in Playscenes that you make especially for them. Breed them, play with them, feed them, and love them! You can adopt as many Dogz as you want - as long as you take care of them all!

Dogz are little when you first adopt them and then they grow up over time into adult Dogz!

Check out [www. Petz.com](http://www.Petz.com) for the latest Petz info!!

And, don't forget, if you get Catz® 5 too, your Dogz and Catz can play together!!
More breedz, more toyz, more fun!

Dogz 5

Getting Started

Dogz 5 comes with 15 breedz of Dogz. Different breedz have different personalities, but every Dogz is unique! Every Dogz has their individual likes and dislikes.

Left-click with your mouse and hold the button down to pet Dogz and pickup Toyz. Right-click and hold the button down over a Dogz to pick them up and carry them. Double-left-click to call your Dogz over to you.

Left-click on the **"Pick a Pet"** button on the Adoption centre to see all the different breedz of Dogz. Once you find that special Dogz, you can adopt it by clicking on **"Adopt Now"**. Use your Carrying Case to **"Go To"** the Playscenes, **"Pick"** which of your dogz you want to come out and play, take pictures of them and view their Petz Profiles. Put your Petz in front of the Petz door to put them away. Remember to only adopt as many Dogz as you can care for ...neglected Dogz will run away.

Dogz Care

Necessities

Water

Food

Medicine

Dogz need love and attention, water, food, and regular brushing. When your Dogz get sick, add Medicine to their food or water.

Dogz 5

Dogz also need regular play and exercise - especially if they eat too much. Dogz can become overweight.

And, don't forget to give them tasty Treatz when they've been good and to discourage naughty behaviour with a squirt from the Squirt Bottle. You can hold Treatz above, below or to the sides of your Petz and give your hand cursor a little wiggle. Your cursor will give a little whistle and a hand gesture if you did it right and your Petz will try to do a trick. Repeated rewarding of tricks you like will train your Petz to do them.

Toyz

Your Carrying Case comes with an initial assortment of Toyz and supplies for your Dogz to get you started

As you "Go To" different Playscenes, you will find more Toyz! When you place these items into your Carrying Case, you can then take them anywhere and always have as many as you want!

You can get even more Toyz and items when you win at the Mini Games!! There are over 100 Toyz to find and win. Balls, Bonez, Stuffed Parrots, Airplanes, Chew Toyz, Pillows to relax on - Not to mention all the collectables from their travels - Exotic Jewels and Carpets, Doubloons, a Flea Circus and more.

Clothing and Accessories

Dress your Dogz in stylish clothing and accessories.

In the Salon, you will find a wardrobe full of clothes and accessories. Left click on an item you want and drag it from the closet. You can also drag the clothing on and off your Petz, but only when you're here in the Salon. If you put paint on your Dogz or the mice and want to remove it, you can give them a bath!

Soapy Sponge

Mini Games

Now you can learn the ancient art of agility from Monkey, the Dojo in the Asian Temple. If you train hard to learn his teachings, he'll reward you!

In the Wild West, a Prairie Dog has moved-in and he's challenging you and your Petz to a game of Tic-Tac-Toe! Claim your squares by dropping your Dogz onto them when it's your turn.

Mr. Bonez loves music and wants your Dogz to help him compose. Get your Dogz to touch the coloured tiles in the order they light up to receive thank you gifts from Mr. Bonez!

Dogz 5

A silly Cobra and his hoard of Scarab Beetles have infested Arabia! Can you and your Dogz catch them all and bring peace to the oasis?

The Magic Book in the Fantasy Castle loves a good game of **Rock-Paper-Scissors** against the Suit of armour, but he needs your help to decide between the choices.

Can you keep your Dogz happy? When you feed and play with a Dogz regularly, take him or her to their favourite Playscenes and treat them well, you'll earn a Happy Pet certificate that you can print as proof of your fabulous pet care talents!

Playscenes

With **Dogz 5**, your Dogz can frolic in their home Playscenes such as the Kitchen, Backyard and Salon - or they can travel to the Adventure Playscenes. Go sledging in a Canadian Snow Scene, do tricks under the Big Top in the European Circus Scene, play against a Prairie Dog in the spooky Wild West ghost town, catch Scarab Beetles in an Arabian palace, and discover pirate treasure on a South Sea Island.

Each Playscene comes with its own Toyz - some Playscenes have Toyz for you to discover when you return again or stay longer.

Host Characters - Find out who your Dogz will meet on their travels. Each of the 5 travel scenes have a Dogz host with whom your Dogz can play. These Hosts live in the environment and love having guests over!

Dogz 5

Create Your Own Playscenes

You can create your own Playscenes for your Dogz!! Go to **"Editor"** on the **"Go To"** menu and follow the step-by-step Playscene Wizard. If you are confused, click on the **"Help"** menu bar item.

Have Fun!! Create!! Take pictures of your home and other favourite places with a digital camera and use that bmp or jpeg for your Playscene background! Or take pictures

and scan them into your computer - or create your own picture using your favourite paint program!

Create Your Own Carrying Case

Now you can customize the look of your Carrying Case! Inside your Petz 5 folder on your hard drive is the **"Skinz"** folder. Within is a template that you can modify with the paint program of your choice.

Simply keep your art for the buttons restricted to the sizes in the template and everything positioned on the template where you found it. Petz 5 will need your Skinz files to be 24-bit .bmp's.

(More detailed information is available in the "Skinz Instructions" document included in the Skinz folder.)

You can create new art for all three states of the Carrying Case as well as for the buttons. However, you cannot change the art of the red door that your Dogz come in and out of.

You can change between various Skins using the File menu.

Dogz 5

Dogz Families

Your Dogz can have Puppyz! You need to have a female Dogz and a male Dogz that are "in love". You'll know when your Dogz are in love when they groom each other, follow each other around and bring each other Toyz and treatz. You can set the mood and help Dogz fall in love with special Aphrodisiacs such as the Heart Pillow, the Perfume, the Love Potion, the Music Box and the Heart Candy.

Petz Profile

Perfume

Music Box

Go to the Petz Profile by clicking on the pink or blue Dogz icon on the Carrying Case. Here you can view the statistics of your Dogz and see up to 8 generations of your Dogz' Family Tree.

Tips!

Day Night Cycles

In the General Options menu, you can adjust the frequency of the Night Cycle. Setting it faster than real-time does **NOT** mean your Puppyz will grow faster.

Bacon Treatz

How Petz Grow

Each day you run the Petz program, your Petz will grow a bit (until it reaches full size). However, if you leave your program running over night, this will not automatically happen. You must re-start the game each day.

Puppyz become Adult Dogz in approximately 3 to 4 days. Dogz do not get old or die. When your Dogz have a litter, Newborns become Infants in 2 to 3 days. Newborns become Puppyz in 7 days.

Dogz 5

Stuck Pregnancies

When you cheat with your computer's calendar to speed up the birth of your Puppyz, the mother will become stuck in her pregnancy status. If this happens, there is no way to fix it! Be patient, don't do it!!

Toyz

Now you can bring all the Toyz and objects you find in **Dogz 5** with you everywhere you go! When you find a new Toyz or win one in a Mini Game, simply drag it to the Toyz Shelves to keep it with you anywhere you go.

Importing Petz

If you have Dogz on your computer from earlier versions, you can import them into **Dogz 5** through the "File" menu.

Unicorn Plush Toy

Runaways

Now if any of your Dogz runaway, they may be found and turned-in to the Adoption Centre! Check the Message Board next to the building for any notes that your Dogz was found. If your Dogz runs away, you will only get one more chance to be a good Dogz owner to him/her. Your Dogz depend on you for their care and happiness!

Hexies

Some fans modify the files in the game and offer them for downloading on their fan sites. We think this is cool! In fact, we're flattered. But since Ubi Soft did not create this content, installing any modified files not from Ubi Soft breeches our warranty and support policies. In other words, if it breaks the game, we cannot help you fix it.
